

## **ENVIRONMENTAL POLICY**

### **ISO 14001**

Pioneer Quality Services is committed to:

- Minimising waste, promoting recycling, reducing energy consumption and striving to reduce harmful emissions.
- Caring for the environment and preventing pollution wherever possible.
- Operating the business to the environmental systems required by ISO 14001.
- Following all environmental legislation and requirements that apply.
- Continually improving our environmental performance by setting objectives, actions and targets.
- Communicating our policy within our organisation and to the public via website.
- Continual education and training of employees in environmental issues and the environmental effects of their activities.
- Where possible obtaining supplies from sustainable sources.
- Ensuring all waste is disposed of in a safe and responsible manner.
- Continually improve the environmental management system.

Everyone is responsible for the environmental aspects of the company and for reducing their impact.
